

Hestra Pro Merino wool liner Active

79030-390

Soft and thin liner that provides a good extra layer in colder weather. Compatible with most gloves. The material is a mix of merino wool and polyamide, which makes the liner both warm and durable. Wool will keep a dry and comfortable climate closest to the body. Pull strap on the cuff for easy entry and storage.

Areas of use: Inner glove to improve warmth.

Weather conditions: Mild to cold conditions. Depending on outer glove

Size and Fitting: 6-11. Unisex fitting.

Features: Pull strap at wrist. Rib knit wrist for firm fit.

Maintainance: Wash carefully with wool detergent and low temperature.
Do not tumble dry.
